AMIT BISHT

SUMMARY

Computer Science Undergraduate with education and a keen interest in Software Development and Machine Learning. A fast learner with strong time management and multi-tasking skills. Strong Troubleshooting and problem-solving skills with an analytical mindset.

- Strong Knowledge of Data Structures and Algorithms.
- Possess sound understanding of Machine Learning Algorithms and Work Flow.
- Ability to work in a fast-paced, detailed-oriented environment.
- Critical thinker and problem solver, knows how to work in a team.
- Good Time Management Skills with the ability to prioritize and contribute to multiple assignments simultaneously.

▶ SKILLS

LANGUAGES: Python, HTML/CSS, Java

LIBRARIES & FRAMEWORKS: Django, Numpy, Pandas, Scikit-learn,

Matplotlib

TOOLS: VS Code, Github, MS Excel

EDUCATION

YMCA University

July 2019 - Present

B.Tech Computer Science 2023

Currently Pursuing Bachelors of Technology in Computer Science Cumulative GPA - 7.5

Course work in Data Structures and Algorithms, DBMS, OOPS.

▶ PROJECTS

Personal Portfolio Website

Built a Personal Portfolio website with stacks of HTML, CSS, JavaScript & Django as a Backend.

Face Mask Detection

An Open-CV Project to detect whether a person is with or without mask. So, that we can cope better with this ongoing COVID-19 Situation.

Used a Dataset of 3725 Images of Face with Mask and 3828 Images of Face without Mask. Convolutional Neural Network comes into play in this.
